Dear Friends

The response by senior citizens to the opening of the Mobile Regional Senior Community Center (MRSCC) has been remarkable! MRSCC opened its' doors to seniors 55 and older November 17, 2008. In one year, the center has provided over 4,500 free memberships and sees approximately 380 participants daily in programs. In a typical month the Center offers over 70 classes in addition to the fitness gym, billiards, table tennis and the thermal pool, and the demand for programs and equipment is growing. Hopefully, this indicates that the opportunities at the center are getting more seniors off the couch and active in life activity that will contribute to enjoyment, health and longevity!

The MRSCC Foundation continues efforts to encourage health, fitness and recreation and improve facilities and services at the Center. Therefore we are organizing the 2nd Annual Silver Classic 5K and 1Mi Fun Run/Walk to promote and raise money for the Center. You are being contacted because of our hope that you might be willing to help as a sponsor in the Silver Classic Run/Walk. Please take a look at our sponsorship and run fliers for details. We hope you are able to assist in our efforts. Most importantly, your involvement will be visible to others and will create momentum behind our effort. Please help us in one or both of the following ways:

1. **Make a donation as a sponsor or connect us with corporate sponsors.** Donations go to the Foundation and are tax-deductible;
2. **Participate** in the Silver Classic and/or **Spread the word** to your friends.

Thanks in advance! Let me know if you have any questions.

Sincerely,

Dr. Ellen Broach  
Silver Classic Run/Walk Coordinator
