Mayor Stimpson Submits Contracts for Right-Of-Way Mowing

MOBILE, Ala. – Mayor Stimpson is pleased to present to the City Council, for their approval, contracts that will help the City maintain major thoroughfare right-of-ways by having them mowed once every seven (7) days. The Mayor asks the City Council for their immediate consideration of these contracts as his administration works to address the appearance and maintenance of these areas and improve the overall cleanliness of the City of Mobile.

“By turning to the private sector to help us maintain our right-of-ways, the City will gain the capacity to better serve our citizens in all other parts of the City. Our mowing schedules are too long and the citizens deserve better,” Stimpson said.

The contracts if approved have been broken down into three sets and valued at \$112,297.22:

All Pro Landscaping & Lawn Care, Inc. (\$87,797.22):

- ✓ Government Street/Highway 90 from just East of Eslava Creek to Bellingrath Road
- ✓ Airport Boulevard from Florida Street to West of Dawes Road
- ✓ University Boulevard /Demetropolis Road from Moffat Road to Highway 90
- ✓ Dauphin Street from Mobile Street to McGregor Avenue
- ✓ Dauphin Island Parkway from Gossan Street to Faye Street
- ✓ Michigan Avenue from S. Broad Street to California Street
- ✓ Downtown: Canal Street, S. Claiborne Street, S. Conception Street, Water Street, Beauregard Street, N. Lawrence Street, N. Broad Street.

Eric’s Lawn Care, LLC (\$14,980.00):

- ✓ Hillcrest Road from Airport Boulevard to Girby Road
- ✓ Springhill Avenue from N. Catherine Street to Mobile Street

Complete Management Group, LLC (\$9,520.00):

- ✓ Cottage Hill Road from Montlimar Creek to Hillcrest Road

If approved, the contracts will be in effect from the date of approval until October 31, 2014. The City shared the bid packages with 102 companies and received 21 bids.

These contracts will appear on the City Council agenda for Tuesday, July 29, 2014.
