

**City of Mobile RFP #5514, Hosted Asset Management Software.
Scoring Tabulation**

The City scored proposals in three rounds. In the first round, the City scored all proposals according to the weighted factors in the RFP to select the overall top five proposals by average mean total weighted score.

Vendor	Average Mean Score of April 21 Survey	Rank
Infor	837	1
Cartegraph	831	2
Timmons Group	827	3
Nexgen Asset Management	797	4
AssetWorks	793	5
Smart Energy Water	756	6
GISinc	742	7
Cardno	736	8
Data Transfer Solutions LLC	701	9
EAM Solutions	658	10
ZLink	653	11
zPro Solutions	644	12
CCS Global Tech	629	13
eCIFM Solutions	606	14
Monday.com	533	15
Rizing	521	16

The City invited the top five scoring proposals for individual presentation of their product, and repeated the weighted scoring, incorporating the additional information, to select the top two scoring proposals for further evaluation.

Vendor	Average Mean Score of May 24th Survey	Rank
Nexgen Asset Management	1,329	1
AssetWorks	1,187	2
Cartegraph	1,086	3
Timmons Group	989	4
Infor	887	5

The City invited additional presentation by the top two scoring proposals, and selected Nexgen Asset Management's proposal as the preferred solution.
