## **How Selection Works:**

Once you submit your application to join an Advisory Committee, the selection process involves several key steps:

1. Our team will carefully review all submitted applications to ensure they meet the basic eligibility requirements and match the committee's needs.
2. Candidates are evaluated based on their relevant experience, skills, and commitment to the committee's objectives. We look for individuals who demonstrate a strong understanding of the committee's focus and a genuine enthusiasm for contributing to its goals.
3. Shortlisted candidates may be invited for an interview. This is an opportunity for us to learn more about your qualifications, discuss your ideas, and understand how your background aligns with the committee's mission.
4. After the interviews, the selection committee will make final decisions based on the candidate's fit with the committee's needs and objectives. We aim to ensure a diverse and balanced representation that enhances the committee's effectiveness.
5. The outcome will be notified to all candidates. Selected members will receive further details about their roles, responsibilities, and next steps.

We appreciate your interest and dedication to contributing to our community. If you have any questions about the process or need further information, please feel free to contact us at 251.208.1550.
