

Mardi Gras Equine Medical Evaluation

This document is to certify that the below listed horse has been evaluated and is medically cleared to participate in Mardi Gras and carry the weight of a rider for at least three (3) miles at a time. I further certify that I have physically inspected this horse at the date and time listed herein.

Owner: _____ Contact #: _____

Horse Name: _____ Breed: _____ Age: _____ Weight: _____ lbs

Identifying Colors/ Markings: _____ Gender _____

T/P/R: _____ Henneke Scale Score: _____ Can Carry _____ lbs

Systems Checks:

Instructions: Body Systems will be evaluated on Green / Yellow / Red Scale. If a system is "Green," then there is nothing medically preventing the horse from parading. If the system is "Yellow," there is a medical concern with the horse. However, it may still participate in the parade if certain precautions are taken. If a body system is "Yellow," please include details of the problem along with the precaution necessary to allow the horse into the parade. If a body system is "Red," the horse has a health problem that will prevent its participation in the parade. If the body system is "Red," please notate the problem in the notes section.

	Green	Yellow	Red	Notes
